Mr. Koeberl,

Below is the CORA request you submitted on August 18, 2017:

An electronic list, Access or Excel format preferred, of all employees of Aurora Public Schools. This would include, but is not limited to, the Name, Title, Start Date, Salary, Job Classification, Department and location of all employees of Aurora Public Schools. Again we stress we are requesting this information in an electronic, searchable or sortable format.

The information responsive to your request exists in other formats, but we would need to create a record to provide the information as requested. Because Colorado Rev. Stat. Secs. 24-72-101 to 24-72-402 do not require us to create new records, we are not obligated to provide a response and therefore, will not provide a response.

Thank you for your interest in Aurora Public Schools.
