Re: Proposed New Rule of Criminal Procedure Governing Access to Court Proceedings and Files

Mr. Zansberg:

At its October 20, 2017, meeting, the Colorado Supreme Court's Advisory Committee on Rules of Criminal Procedure decided not to recommend adoption of the rule you had proposed. In the committee's view, the matters encompassed in the proposed rule are adequately addressed in CJD 05-01 and existing case law.

Thank you for your interest.

Judge, Court of Appeals
Chair, Advisory Committee on Criminal Rules
