<p style="text-align: center;">ORDER DISCHARGING ORDER TO SHOW CAUSE</p>	

This matter came before the Court today for a hearing on an order to show cause issued pursuant to C.R.S. § 24-72-204(5), of the Colorado Open Records Act (CORA).

Before the show cause hearing, the Court reviewed the complaint and application for an order to show cause, with exhibits, filed on September 24, 2026. The Court also reviewed Respondent's response and the declarations filed on October 7, 2026.

At today's hearing the Court received argument from counsel for the parties on Petitioner's complaint and application for an order to show cause and Respondent's response. After considering the argument of counsel, the applicable authorities and the entire file, the Court entered on the record (FTR recorded) findings of fact, conclusions of law and an order discharging the show cause order and upholding Respondent's denial of Petitioner's CORA request. These findings of fact, conclusions of law and order are incorporated here by reference.

WHEREFORE, IT IS ORDERED, ADJUDGED, AND DECREED that the order to show cause issued on September 25, 2026 is DISCHARGED.

SO ORDERED Thursday, October 8, 2026.

Andrew P. McCallin
District Court Judge
